ACCOUNTING

# ACCOUNTING SOLUTIONS

That Uplift Business Growth

# The Backbone of Scalable Success

At **Veemi Accounting**, we are committed to delivering reliable services that fuel growth and support long-term success for our Australian and global clients. With a strong focus on **Australian compliance standards**, our team is well-versed in ATO regulations, BAS & GST obligations, and international frameworks such as IFRS. Our firm is led by qualified Chartered Accountants, registered BAS agents, and experienced financial advisors.

We combine years of hands-on experience with industry-specific knowledge to provide tailored financial solutions for hotels, restaurants, bars, and hospitality businesses across Australia. Our approach is designed to enhance profitability, maintain compliance, and support the long-term success of our clients.

“

Our mission is to simplify offshore accounting through accuracy, trust, and technology. With over 15 years of combined experience, we founded Veemi to support global businesses and CPA firms with reliable, efficient, and secure financial solutions.

We focus on understanding each client's unique needs and delivering tailored services with the highest standards of professionalism and data confidentiality. Our goal is to be more than a service provider. We aim to be your long-term accounting partner.
